

DEVOPS – TASK 1

The screenshot shows the Jenkins Dashboard in a web browser. The browser's address bar displays 'localhost:8080'. The Jenkins header includes the logo, a search icon, the user 'Swetha Radha', and a 'log out' link. The left sidebar contains navigation links: 'New Item', 'Build History', 'Manage Jenkins', and 'My Views'. The main content area features a 'Build Queue' section with the message 'No builds in the queue.' and a 'Build Executor Status' section showing '0/2' executors. A table displays build history for the 'ubuntu' job, with columns for status, name, last success, last failure, and last duration. The table shows a successful build (#3) and a failed build (#1). A filter bar at the top of the table allows selecting between 'All' and '+'. A progress bar and a legend for 'Icon: S M L' are also visible.

S	W	Name	Last Success	Last Failure	Last Duration
✓	☁	ubuntu	2 min 32 sec #3	7 min 3 sec #1	18 sec

REST API Jenkins 2.492.2

The screenshot shows the 'Welcome to nginx!' page in a web browser. The browser's address bar displays '172.28.89.97'. The page content includes a heading 'Welcome to nginx!', a paragraph stating that the nginx web server is successfully installed and working, and a link to 'nginx.org' for online documentation and support. A note mentions that commercial support is available at 'nginx.com'. The page concludes with the text 'Thank you for using nginx.'.

Welcome to nginx!

If you see this page, the nginx web server is successfully installed and working. Further configuration is required.

For online documentation and support please refer to nginx.org.
Commercial support is available at nginx.com.

Thank you for using nginx.
